Summary of Recent FIFA Law Changes – Since 2019

AYSO generally follows FIFA Laws, adjusted for the age of our children. These FIFA changes will affect EVERY game your team plays – **PLEASE LEARN THEM and all the LAWS !** :

1. Coin Toss: winner can now choose either to kick off or which side to defend/attack. Loser, respectively, chooses which side to defend/attack, or kicks off.
2. Dropped balls: No longer contested. If play is stopped when the ball is in the penalty area, that goalkeeper gets the ball dropped to him/her. Otherwise, team that last touched ball when play stops gets the ball. Opponents must be 4 METERS away when ball is dropped.
3. Goal Kicks and other kicks from inside the penalty area: In play as soon as the ball is touched and moves. Players still need to be outside the penalty area before the ball is kicked. This will likely affect 10U play as well with changes to PDI and the BOL rules.
4. Defenders' Walls: Attackers must stand a meter away from a Wall containing three or more defenders.
5. Coaches' on-field or touchline discipline: They can be shown yellow and red cards. (To AYSO referees, this means more paperwork if strictly enforced.)
6. "Handling the ball" offenses: Now include non-deliberate occurrences that lead to scores or scoring opportunities. (IMO, called Thierry Henry Law). Also, a goalkeeper in his own penalty area cannot throw a ball directly into the opponent's goal.

A message from the Co-Commissioners, Mary Hobert, Dave Hobert

Welcome Coaches,

We want to thank each of you for committing your time and energy towards making this a great year for our kids. That is what AYSO is all about. Through the years, Region 9 has been a part of over 60,000 children's lives from our community and because of your commitment we will be part of about 1200 children's lives this year.

Region 9's success is solely the result of the thousands of hours volunteered each year by our coaches and assistant coaches (about 250 this year); our adult and youth referees (over 100 new and returning officials); the parents who staff our Snack Bar and Information Booth or monitor our fields and our Board of Directors. I hope you will be as proud of the outstanding service we perform for our community as we are.

Please work closely and cooperate with our Division and Coaching administrators – they are there to help you and they are volunteers too.

If you really want to help improve the organization, step forward and volunteer to assist our Board of Directors in a volunteer role – your kids will benefit.

Have a great season and thank you again for your commitment to our kids; they are what this program is all about.

See you out on the fields!

Mary & Dave Hobert

Region 9 Co-Commissioners

AYSO's MISSION STATEMENT

KEY OBJECTIVES

MISSION - To develop and deliver quality youth soccer programs which promote a fun, family environment based on AYSO's six philosophies:

Everyone Plays - Our goal is for kids to play soccer --- so we mandate that every player on every team must play at least half of every game.

Balanced Teams – Each year we set up teams as evenly balanced as possible - because it is more fun where teams of equal ability play.

Positive Coaching - What makes winning kids is being built up, not down! We train and encourage our coaches to make the extra effort to understand and offer positive help to our players, rather than negative criticism.

Open Registration - Our programs are open to all children between 4 and 19 years who want to register and play soccer. Interest and enthusiasm are the only criteria for playing – there are no tryouts, and no one gets cut.

Good Sportsmanship - We desire to create positive environment based on mutual respect, rather than a win at all costs attitude. All programs must be designed to instill good sportsmanship in every facet of AYSO.

Player Development - We believe all players should be able to develop their soccer skills and knowledge to the best of their ability, both individually and as members of a team, to maximize their enjoyment of the game.

So what is AYSO?

The American Youth Soccer Organization

First, AYSO is a **child development program**.

The AYSO philosophy is for the kids to have fun and feel good about themselves. As coaches, keep this number one on your mind. You want the kids on your team to feel good, as well as the kids on the **other team**. Remember, your actions affect **both teams!!**

Second, AYSO is an **enrichment program**.

As a coach, you are a **teacher** of fundamental **soccer skills, techniques, tactics, and rules**.

You are not expected to come into AYSO knowing how to coach and knowing soccer skills and rules, **but we expect you to learn them... – and we will help.** Attend the coach and referee clinics. **They are for you, the coach.** You will enjoy the game more and the kids on your team will learn the game. We have a free training program to have experienced UK Soccer trainers come to your practices – just sign up for them!!

How do I know if I am a SUCCESSFUL COACH? That's easy -- If your kids are having fun, feel good, are learning soccer, and they want to come to practices and games --- **you are a successful coach !**

AYSO

The youth (our kids) are **the most important thing. MORE** important than just winning !

But that does not mean soccer is not important. It is !! Kids (and their parents) expect to be taught correct proper soccer skills and tactics. AYSO is both a **YOUTH** and a **SOCCER** organization.

Volunteers

AYSO is an ALL-VOLUNTEER organization. The coaches, referees, instructors, board members, field people, snack bar workers, team parents, assistant coaches, etc., are all volunteers. We need over 100 coaches, 100 assistants, 100 Team Parents, 150 referees, and hundreds of people for field setup and snack bar operations to function. These are all unpaid AYSO volunteers.

History

The American Youth Soccer Organization began in 1964 in Southern California. Today it has over 1000 regions with over 630,000 players in 46 states and several outside U.S. locations. Conejo Valley/Region 9 AYSO began in 1969. This season, Region 9 will have about 2000 children playing on about 200 teams from ages 4 to 19. It will require over 1500 adult volunteers. We are probably the largest volunteer organization in Ventura County.

Vital Statistics

How is AYSO organized??

The basic unit of AYSO is the region. A region is a community like our Region 9 in Thousand Oaks, lead by a Regional Commissioner. A Board of Directors supports the commissioner. The Commissioner and the Board of Directors are all volunteers.

Several regions together form an AYSO Area. Region 9 is part of Area E, along with 5 other regions – Newbury Park, Moorpark, Simi Valley, Agoura/Westlake, and Malibu.

Several Areas form a Section. Area E is part of Section 10 (along with Area W and 6 other Areas). Section 10 ranges from the San Fernando Valley north to Paso Robles and East to the Nevada border. There are 13 sections in the USA.

Our region is known as **10-E-09**, which describes our Section, Area, and Region.

Executive & General Board

Region 9 activities are guided and managed by our E-Board and G-Board which have regular monthly meetings (which YOU are welcome to attend). If you feel you can improve our Region we would love to have you become a volunteer board member as we have a lot of activities you could assist with.

Regional Communication Tools

As the season progresses you will receive more information from Region 9. This will happen through your Division Administrator, the Regional Coaching Administrator, and through the information booth.

Division Administrator (DA)

- If you have any questions related to your team, adds/drops, games, uniforms, equipment, trophies, schedules, etc -- please contact your DA first. If you have questions on coach training, practice ideas, soccer tactics etc., -- contact your Coaching Staff.
- Your DA will pass on information to you either by phone or email. Please let your DA now which method you prefer – but the region prefers email so please keep your email address current.
- If you prefer email, then please check email daily.
- Make sure you have your DA'S email address and phone number.
- Make sure the DA has your **current** phone number and email address.

Information on field – located at Conejo Creek Community Center (next to Snack Bar)

What is the AYSO Safe Haven Program??

When YOU, as a volunteer set foot on a soccer field, you can be subject to legal action depending on what you do. **The good news is** – there are laws that protect you personally in your volunteer capacity. **BUT** - to be protected by these laws, you must be **trained** and **certified** by AYSO, and then **authorized** by AYSO to do that function. This process/training is called **SAFE HAVEN** – and needs to be taken every other year. It is required of coaches, referees, and volunteers that come into contact with our players. It is driven by the Volunteer Act of 1997 and the Child Protection Act of 1993.

---THIS PROCESS PROTECTS YOU – AND OUR KIDS!!!

Volunteer Protection Act of 1997

The Volunteer Protection Act of 1997 was passed to protect volunteerism. It grants immunity from liability for damages for volunteers who meet its requirements. You need to keep three points in mind with regard to this act:

1. In most cases, the act protects the individual **volunteer**, not the organization
2. The volunteer must be **trained** in the approved methods and policies of the organization through a recognized training program either run by or authorized by the organization; **certified** by the organization; and **authorized** to perform the specific function.
3. To be protected, the volunteer's actions must be within the "**normal scope**" of his or her duties as trained and as outlined in a job description.

If any volunteers are untrained, or if they are trained outside the policies and procedures of AYSO, then **they are at risk**.

Coaches and Assistant Coaches are required to take age-appropriate technical training (Schedule on Useful Links).

AYSO requires, in accordance with California Law, all Volunteers interacting with Children to get fingerprinted. If you've been fingerprinted for non-AYSO-related reasons, that DOES NOT count!

Region 9 has FOUR dates and times to get fingerprinted. See useful links.

AYSO also requires online Safety Training:

- Safe Haven
- CDC Concussion
- Sudden Cardiac Arrest
- SafeSport training (renewal required annually)

<https://wiki.ayso.org/wiki/Safesport>

Details on these classes as well as instructions on accessing your AYSO profile also located at Useful Links.

Awards & Trophies

1. Players in 5U, 6U, 7U and 8U Divisions will receive participation awards at the season's end, provided that their team's volunteer requirements are met.
2. Trophies or medals are available on the last game day for competitive divisions depending on their success in Region playoff tournaments or League standings, whichever apply.
3. Standings will be posted on the region website. No standings or games results are kept or published for 5U, 6U, 7U and 8U divisions.

Ron Volk Award

Ron Volk was a Region 9 coach, division director, Asst. Commissioner, Commissioner, and much more. He spent his time on the fields assuring that children had a place to play the game. His love for children drove him to each task he took on. He was diagnosed with leukemia which eventually took his life at a young age – and we will always miss him.

The award that bears his name is not just a sportsmanship award – it should be regarded with the highest esteem -- even more so than a first place trophy. His gift to children continues through this award. Please consider a player on your team to receive this sportsmanship award – You need not turn in the player's name, just pick up the award at the snack bar on the final day of play.

Season Schedule & Format

a) Schedule Format & Playoffs

- i) 5U, 6U, 7U & 8U teams are developmental teams – no scores or standings are kept. Coaches need to emphasize building and demonstrating skills instead of “beating” the other team on Saturday. Teams will play one game every Saturday.
- ii) 10U/12U/14U/16U/19U divisions are competitive, scores and standings are kept. Teams will play against all other teams if possible. “Practice” games may be played at the beginning of the season, and will not be recorded for standings purposes.
- iii) Region 9 will send teams to Area E playoffs depending on the number of invitations the region is sent by Area E. Region 9 may be allowed to send multiple teams in an age bracket to Area E playoffs depending on wildcards. See tiebreaker rules on the next page.

******* IMPORTANT: Teams are awarded points as their designated referee officiates games. Teams must have a minimum # of points to go to Area playoffs.**

Team Points/Tiebreaker Rules

Please refer to the flyer in your Coach packet for tiebreaker rules and end-of-year Tournament for Competitive Divisions.

Winter League, AYSO United Rancho Conejo and Allstars

Region 9 AYSO has three soccer playing programs in addition to the normal fall season. They are the Winter League, the Allstar Program, and the AYSO United Rancho Conejo programs.

Winter League

Region 9 offers Winter League (spring soccer) in as many divisions as is practical; emphasis is not on keeping scores or standings, but technical training and play. Practice, if any, is limited to one and half hour once a week, games are intended to be low-key and played just for FUN!

Winter League is open to all (age 4 to 19 on July 31) and does not require that the players participate in fall soccer. Games will be played on Saturdays at Conejo Creek Park. The season is usually about 8 weeks starting in January. Costs are less than the fall and registration starts in November before the end of the fall season – **Watch for it !!! Winter League is a great time for Volunteers to try refereeing or coaching.** Winter League is meant to be a fun learning experience for players and volunteers.

The AYSO United Rancho Conejo programs are competitive soccer leagues designed to provide a higher level of play for those players who possess the appropriate skills, abilities, and drive. They are designed to enhance each player's experience and individual growth through the game of soccer while retaining the spirit, organization and six philosophies of AYSO. and United run year round, and more details can be found in our Useful Links.

Allstar Soccer

Many AYSO regions have weekend soccer tournaments during the “off-season”, typically from Thanksgiving and going through early June. The teams in the tournaments include all-star teams from various regions. A tournament is usually 3 to 4 games played over two days. Depending on the distance to the tournaments, many times the teams will have a Saturday night stay over in a hotel. The tournaments are for boys’ teams and girls’ teams in the 10U and older divisions (12U, and 14U) – but many tournaments do have 16U & 19U divisions).

Some of the popular tournaments are the Camarillo Strawberry Cup, the Oxnard Sports Festival, the Thousand Oaks Pot O’Gold, the Moorpark Apricot Jam, the Irvine Cup, the Huntington Beach Surf and Turf, and the Santa Barbara Splash. The parents and players always have a lot of fun at tournaments. Every year there is an Area E Allstar tournament matching Region 9’s Allstar teams against other regions just in our Area.

Region 9 will select Allstar coaches to pick their own Allstar teams and represent Region 9 in Area tournaments and any other tournaments the teams wish to enter. Allstar play is rewarding as you can usually work on more advanced skills and tactics and individual and team improvement is usually rapid.

Allstar participation can cost from \$500 - \$700 per player, either raised from the families or by fund raising activities. AllStars begin practice the week after Thanksgiving and can extend into June.

Adult League Soccer

AYSO Region 9 offers an Adult League for Men and Women. The only requirement is that you are 19 or older as of August 1.

We realize that there are plenty of adults of all ages and skills who want to play. Here is the perfect opportunity!! The AYSO Adult League will follow all the philosophies of the youth program.

Please visit the website on Useful Links

for additional information, or to volunteer to assist in this program.

Coaching Information

There will be coaching clinics available to all Region 9 coaches for the FALL season. If you are not already certified for the age you are coaching, it is REQUIRED that **ALL** coaches – including assistant coaches – to attend an age-specific clinic.

Please arrange your schedule to attend one clinic – held at Conejo Creek or other nearby fields.

Intermediate/Advanced coaching clinics are given less frequently due to smaller numbers of candidates. They are open to all coaches who have completed the prerequisites (12U Coach for Intermediate Coach, and Intermediate Coach for Advanced Coach).

Coaching Clinics Continued

NEED MORE CLINIC CHOICES ?? Go to our web site, logon at top right, click on AYSOU Next to “My Roles” (It’s under “Volunteer”)

For all Coach Clinics Bring:

- Water (lots, especially if it is a warm sunny day)
- Soccer Ball (you will use it a lot)
- Lawn Chair (have available in car, may or may not want one)
- Sunglasses and Sunscreen, soccer cleats or tennis shoes, shin guards (if desired), etc.
- Pen, Pencil, and Notebooks (only if you like to take notes)
- **Come dressed to play.**

These clinics are about 1/3 class and 2/3 field work. Expect to get a good workout. You will receive a coaching manual at the end of the clinic.

Clinic Notes:

- Conejo Creek South is located at 1300 E. Janss Road, Thousand Oaks
- You must take the 12U Coaching Training Pre-Course online at aysou.org before you can take the 12U Coach In-Person Course (New!)
- You must take the 12U Course before you can take the Intermediate Course
- You must take the Intermediate Course before you can take the Advanced Course
- You can take any or all courses given by other regions – **MAKE SURE YOU RECEIVE A COMPLETION Status in ayso9.org – OR YOU MIGHT NEED TO RETAKE IT !!**
- CYSA/Club coaching certifications (F level, E level, etc.) may help replace these AYSO clinics. Please contact the Coaching Director for details.

WHAT is DISSENT?

Many people, including coaches, players and parents, don't realize that the Laws of the Game in Soccer define foul play as being "In the Opinion of the Referee." Many times, that opinion might differ from that of others involved in the game. Therefore, while it is okay to have a different opinion of what might have transpired on the field, it is necessary to recognize that it is only the Referee's opinion that determines whether a foul has been committed.

Unlike many other sports, Dissent (disagreeing by WORD or ACTION with the referee's or linesman's decisions) is **NOT ALLOWED** in soccer. Dissent often leads to contentious situations on the field and teaches our players the wrong message. Referees have been instructed that they must **NOT** ignore dissent from players, coaches, or spectators. It is the coach's job to remind/educate all players & parents (ESPECIALLY those new to soccer) of this rule. Each year we see MANY instances of dissent, from parents and especially grandparents who are new to soccer.

Remember all of our referees are volunteers. Many of those are volunteering as referees for the first time. Every year we lose referees because of verbal abuse and criticism from the field. We need your help to make sure this does not happen.

Coaching Responsibilities & Expectations

Practice Guidelines

(NOTE: Many coaches get assigned slots and do not show for the first weeks due to vacations – don't assume that an empty field is "permanently" yours!! Use your assigned times!!!)

Have 2 adults present (1 of same gender); don't be left alone with the kids or cancel your activity without notifying the team. Always have liability forms with you !

Be at practice field on time or arrange for someone to be there and remain until all children have been picked up. (NO PLAYER IS EVER TO BE LEFT UNATTENDED.)

NOTE: Fields will not be marked permanently until the *last week of August* – so use your judgment on where your field is and *COOPERATE* with all other teams.

After many years we have found the following practice schedule works best. Please abide by it and don't practice more than the other teams in your competitive (10U – 19U) divisions:

6U Division – 1 practice immediately prior to game on Saturday on your game field.

(NOTE – 6U teams show up at their assigned game times, practice, and then play their games)

8U/7U Division – 1 practice per week of 60 minutes.

10U through 19U – 2 practices per week of 60 minutes each.

7U/8U may have another "walk on" practice during the week (these are training divisions) and use any unused field -- but remember games are non-competitive with no scores or standings kept!

Practice is for the coach. Game day is for the players.

PLEASE – NO LINES ... NO LONG LECTURES ... NO LAPS !!!!

REMIND YOUR PARENTS ABOUT BEHAVIOR AT CONEJO CREEK

No Alcohol, No drugs, No smoking, No dogs, No inappropriate language !

When should I notify my team?

Notify all players by telephone or in writing ASAP after you receive your team. Tell them when and where your Team Meeting will be held. Any local park or Conejo Creek are good locations.

Conduct Your team meeting. See “Parent Meeting Notes” later in the Coach’s Manual.

Obtain an Assistant Coach, Team Manager, Team Referees, and Sponsor. **GET A SOLID VOLUNTEER** to be the Team Manager – and give them all non-coaching related Team responsibilities – such as obtaining volunteers and attending the Team Manager’s meeting.

Inform your Division Director **immediately** if a player drops from your team. Then you can pick up your uniforms and game ball for this year. Game cards will be included in the coach packet distributed at the end of the coaches meeting.

NO changes (trades or swaps with other teams) can be made !! DA’s MUST make them !
ALL games will be forfeited if the coach makes changes in the team roster or makeup.

Uniforms & Schedule handout

We will coordinate Uniform handout with the Practice Lottery this year. Coaches need to pick up uniforms and schedules when we notify you.

We have improved the Uniform distribution, and details are in your Sponsor/Uniform Flyer in your Coach packet.

Suggestions on how to hand out Uniforms

1. We suggest you have your Team Parent distribute uniforms after you receive them – best time is at the end of a practice, when other parents can also assist you.
2. Line up your players from smallest to largest.
3. Hand out uniforms beginning with smallest uniform going to the smallest player, and continue up the line ending up with the largest uniform going to the largest player.
4. **MAKE SURE YOU ALLOW FOR VERY SMALL OR LARGE PLAYERS THAT MIGHT BE ABSENT !**
5. Give out jersey, shorts and socks to each player, and have them try them on. Then, if players want a specific number, let them trade as long as players get a uniform that fits.
6. Write down the number of the uniform each player leaves with – and give the list to your DA.
7. If you have a MAJOR uniform issue before a game (i.e. triplets all forgot their jerseys etc) check at the volunteer center and borrow a set of pennies/bibs for that game.
8. Yes it is OK if your team wants to buy their own socks, but all players **MUST** wear the exact same style and color – i.e. they must be identical. Shorts and tops must be the color issued to your team by Region 9.

Games/Game Day Notes

Be at the correct field 45 – 60 minutes prior to scheduled game time. Tell your parents to leave enough time for the busy parking lot !!! 6U teams will practice AND play at their scheduled time. Have players stretched, warmed-up, and ready to play at scheduled start times.

Always have liability forms in your possession.

During games, parents can only be on the sidelines, at least 2 yards back from the fields. Parents are not allowed along the goal lines or behind the goal.

Remember to have your team pickup trash along your side of the field and leave the area clean as **EVERYONE IS A VOLUNTEER.**

Field Set-up. If your team has the first game of the day for the field, your team is responsible for field setup 45 minutes before scheduled game start. Any delay in setup will shorten your team's playing time.

Field Take-down. If your team has the last game of the day for the field, your team is responsible for field take-down.

NO DOGS are allowed on Conejo Creek Park by AYSO during the soccer games or practices. Please inform all parents and spectators that dogs are not allowed at Conejo Creek Park. .

Cautions and Send-offs

1. If a coach or player in a game is issued a sendoff (red card) that person is ejected for the remainder of that game and the next game that the team plays.
2. Play will not resume until the ejected person has left the vicinity of the playing fields.
3. The Regional Commissioner, Referee Administrator, and Coach Director will review all ejections within one week.

Game day Coaching reminders & expectations of coaches

- a) A completed **line-up card** & a game ball
- b) The player **registration forms** for the team
- c) We suggest keeping a First Aid Kit – ice and paper towels are always handy
- d) Goalkeeper **jersey** (in 10U and older divisions)
- e) Home team shall be the first listed team on the scheduled day of play.
- f) All parents, players, and coaches shall occupy the same side of the field.
- g) Coaches, assistant coaches, and referees are not permitted to use tobacco or alcohol.
- h) Protests are not allowed. Tell over-excited parents to chill out !!! Coaches **MUST** cooperate and be polite with the referee team. **DO NOT DISPUTE REFEREE CALLS OR YELL AT ANY REFEREE !!! If you have questions ask nicely after the match!!**
- i) If you have a 5 goal lead – we suggest reorganizing your formation to moderate future scoring.
- j) **LEARN THE LAWS – GO TO THE REFEREE TENT OR ASK YOUR COACHING ADMINS IF YOU HAVE QUESTIONS ABOUT THE SOCCER LAWS!!! Better yet – become a ref!**
- k) **Please rotate your players so they learn to play more positions**

Playing time/substitution guidelines

- l) All players (except 14U teams) must play 75% of each game if possible.
(i.e. Make sure ALL players will play 3 quarters before any player plays 4 quarters.)
We encourage, but do not require, 14U teams to play 75% (they must play 50%).
**Important: the maximum time a player can play the goal keeper position is:
8U: 1 quarter; 10U: 2 quarters; 12U: 3 quarters; 14U: 4 quarters (no limitation).**
- m) The time players spend on the field will be as even as possible for each game.
- n) Exceptions are for hurt, sick, or late arriving (after start of game) players.
- o) Late arriving players must play 1/2 the game or (after 1/2 time) all remaining time of the game.
- p) The substitute may not enter the field until given permission to do so by the referee.
- q) Coaches may substitute for an injured player, but the injured player must stay out until normal substitution time, AND the injured player is credited for playing the whole quarter.
- r) Substitutes must enter/exit from their team's side, and at the mid-field stripe.
- s) Substitutions will be made at approximately the halfway point of the first half of the game, at half time, and at approximately the halfway point of the second half of the game.
- t) During substitution breaks:
 - i) Coaches, parents, or players not playing in next period may not enter the field
 - ii) Players on the field that will be playing the next period may not exit the field
 - iii) Players may get water by having parents hand water bottles over the touch line. Water can also be supplied during the game.
 - iv) Coaches should have all substitutions completed within 30 seconds. This is not a time to give instructions to players. It is only a time to substitute the players. **See page 25 for our substitution procedures!**

Safety & Injuries

Always warm-up and stretch players before practice and games to reduce injury.

Ensure the players drink plenty of water at practice and games.

The players must have proper equipment. They must have shin guards at all practices and games. Shin guards must be of adequate size to provide protection to the player. Undersize shinguards are not to be allowed. Never allow any players to wear jewelry of any kind.

Knee braces are permitted if covered and padded and play is subject to referee judgment.

Players cannot participate in any games or practices with **any Splints or Casts**.

Inspect practice fields. Each coach is responsible to satisfy her/himself as to the condition of the field before holding practices. We have volunteers working at the fields that will repair any problems before your game – **CALL THE FIELD CREW VIA A FIELD MONITOR !!** Field Monitors will be wearing orange vests and circulating on game days.

ALWAYS CALL FOR ASSISTANCE FOR ANY HEAD OR OTHER SERIOUS INJURY !!

Teach correct soccer techniques. Know the correct soccer techniques and how to coach them.

Playing after an Injury. Often, parents of players recovering from injuries or illness are anxious to have them return to play. Be flexible, but, if in doubt, contact our Safety Director listed in the Board Member emails.

Allstar Nominations & Rating Meetings

Nominate best players for Allstars – 10U-14U coaches: please respond to emails from the selected Allstar coaches for nominating Allstar players and keep the nominations confidential.

Rate your players. We have a good player rating system to improve team balancing. The coach MUST rate his/her players. Follow the online player evaluation instructions that you will be provided.

Watch other games in your division. Watch all teams in your division play at least 2 games especially during last half of season. Identify & evaluate key players on each team in your division.

Complete online rating forms by the specified deadline and well before the rating meetings.

Attend ratings meetings. We will announce the schedule of your meetings. Be prepared to discuss all the players in your division.

Approximately at season mid point 8U-14U coaches will receive emails for player ratings. Your completion of the online rating form is mandatory and will be a factor in determining your eligibility to be a head coach for the next season should you apply for such a position.

NOTE: IT IS CRUCIAL THAT YOU COMPLETE THE ONLINE RATING FORM !!! THIS IS THE MAIN INPUT FOR BALANCED TEAMS NEXT YEAR !!!

The Most Important things to do after Coaches Meetings:

- 1) Call your team – hold your team meeting
- 2) Get your volunteers – esp. refs and a manager !!!
- 3) Get your practice times from the Practice Lottery
- 4) Take Safe Haven, Concussion, Cardiac Arrest, and SafeSport and age-correct technical training
- 5) Get your uniforms and exchange your Sponsor check for uniforms and game ball
- 6) Read your Coach's Manual.
- 7) Moving?? Changing Email/Phone?? TELL US! Keep your DA updated.

TEAM REFEREE Guidelines

Games cannot go on without referees. ALL teams but 6U must provide 1 or more designated team referee (2-3 eases the burden for all). Your parents need to help us here!

Referee Point Rules

1. See the Useful Links and the AYSO9 website for details.
2. Teams that do not meet the minimum required Referee Points are ineligible for any Regional Tournament and ineligible for post-season Area play
3. Referee points can be earned by as many different referees as you have representing your team (subject to the first two rules above).
4. A referee will earn ***2 points for completing a center referee assignment*** and 1 point for completing an assistant referee assignment.
5. If, and only if, all referee positions are filled for a particular Saturday, Standby Spots will be added to the schedule. Team Referees can earn 1 referee point for signing up for a ***“stand-by” slot*** and make themselves available in case of a “no-show” for an assigned referee.
6. Referee points can also be earned by referee during Region 9’s ***Adult League*** that play on Sundays. Every effort should be made to fulfill your points on Saturdays. However, if all slots are full on Saturday, Sundays are also an option. Adult League does require a little more skill and athleticism.

Referee Scheduling

To facilitate individual team and referee needs, Region 9 utilizes a self-scheduling system. Instructions for that system can be found on the region’s website. General guidelines for scheduling include the following:

- 1) Referees should only take on assignments that they feel comfortable with and are trained for
 - a. If no such games are available on a given weekend, they should contact the Referee staff and they will help ensure that all willing and ready referees earn their team’s point.
 - b. Referees that would like to receive additional training should also contact the referee staff
- 2) Referees for teams at the 8U & below divisions will referee their own teams’ games.
- 3) Referees for teams in the 10U and above divisions, may not referee their own teams’ games.

Referee Requirements

Minimum Ages: Adults -- any games; age 16 can do 14U games; age 14 can do 12U. Age 12 & 13 youth refs can work 10U or below – we suggest their referee parents work the same game.

Training: Referees must be properly trained. However, if a referee has been previously trained and certified, they do not need to go through basic training again. However, they must attend a pre-season meeting for all returning referees to review any updates to Region 9 procedures or changes to the Laws of the Game. Information of the date of the referee update meeting will be available on the Region 9 website.

Volunteer Safety Training

Referees must complete the AYSO-required Safety Training noted on Page 9 of this manual, and get fingerprinted.

Referee Training

Referees must be trained before they can act as Referees or Assistant Referees in any AYSO match. Volunteers will have the option of choosing between one of two referee training “tracks” in order to satisfy the training requirement.

On-Line Training + Field Training – Referees can choose to take an on-line class from AYSOU.org. This process requires completing an online course that is estimated to take 3 – 5 hours. Following the successful completion of the on-line course, referees must attend one in-person companion course as well. There will be several opportunities to attend a companion course. This schedule is posted on the Region 9 website in the Referee Section

APPENDIX of Useful Information

Volunteer Registration – (This is actually for YOUR protection)

The volunteer registration serves the following purposes:

Registers the volunteer with AYSO & is required to meet the Child Protection Act of 1993.

ALL COACHES, ASSISTANTS, REFEREES, TEAM MANAGERS and anyone that comes into contact with players MUST DO THIS !!!

See the Useful web links “Individual Volunteer Registration site” and make sure you and all of your team referees, Team Manager, and Assistant Coach register!

Region 9 Substitution Guidelines

The following Substitution Procedure is now **REQUIRED**, for all Region 9 teams. Done properly, it should take 30-60 seconds. The referee's watch, (official game time) continues to run during substitutions. To maximize playing time, we suggest Coaches keep any player position changes to a minimum when substituting (make instructions clear). Once the substitutions have been made (substitutes have entered the field of play) the Referee may restart play per the Laws of the Game (LOTG).

Approximately half way through the first half and @half way through second half the following substitution procedures will be enforced by referees:

- On appropriate stoppage in play, Referee blows whistle and indicates substitutions may be made;
- Coaches must have substitutes ready inside the Technical Area (TA) at the half-way line. Assistant Referee (AR) notes numbers of substitutes (players entering field of play);
- From the Technical Area (TA), Coaches call out the numbers/names of players to be substituted (players coming off) & confirms these numbers with AR;
- Substituted players should quickly exit the field into the Technical Area at the half-way line, handshake with substitutes, who enter the field of play at the half-way line when the player they are substituting has exited the field of play. As each substituted player enters Technical Area, AR confirms & documents player numbers on game card;
- Once Referee confirms that substitutions have been made (substitutes have entered the field of play), play is restarted indicated by a whistle. Teams must be ready to restart play on the Referee's whistle.
 - Coaches wishing to rotate player positions may QUICKLY do so from inside the Technical Area, ideally from an end of the TA away from the half-way line so as not to disrupt or slow down the substituted players exiting and the substitutes entering the field of play.

NOTE: Remember that the substitution break is not a water break or a coaching break. Players may come to the touchline for water anytime during the match including during substitutions being made, and coaching instructions can be delivered at any time during the game from the technical area. However, players may not leave the field of play without the referee's permission or congregate at the half-way line. No parents or team officials are permitted to enter the field of play, especially during substitutions. The TA is for Coaches and Assistant Coaches (and substitutes preparing to enter the field of play) only.

(SUGGESTIONS – Coaches, Make out your lineup & formation BEFORE you get to the field. **Write down** who your subs will be for the 1st and 2nd halves of play. **Look** at your watch and have your subs ready to go, **next to you in the TA**, 5 min. before the middle of each half arrives. Better yet, give your assistant coach the list & ask him/her to do it.)

What should I do at a Parent Meeting ???

1. Call for a team meeting. Perhaps at your house or field before you begin practice season or with first practice.
2. Introduce self and give a copy of team roster, game schedule, practice times and locations, and team rules to each family.
3. **Items on your agenda to discuss**
 - a) **Inform and discuss the 5 philosophies of AYSO.**
 - b) **AYSO is an all-volunteer organization and everyone is expected to volunteer**
 - c) **Your division philosophy– Instructional or Competitive**
 - d) **Your coaching philosophy**
 - i) Do you plan to play everyone at every position?
 - ii) Do you plan to have each player learn just a couple of positions well?
 - iii) Will you stress individual technique?
 - iv) Will you stress team tactics?
 - v) How will you make it fun and enjoyable?
 - vi) Etc.
4. Assure parents that every player will play at least half (or $\frac{3}{4}$) of every game. Win, Lose, or tie. Stress that this program is for the kids and playing is more important than winning.
5. Have parents sign a copy of the medical release forms (sign in space next to copied signature and sign in a color other than black).
6. Get assigned consent. Inform parents that soccer is a contact sport and that their children may get hurt, possibly even seriously hurt.
7. Ask parents if there are any medical issues the players have.
8. State the date, time, length, and location of practices.
9. As this is a team effort, ask for assistance. You will need:
 - a) Team Parent (Manager)
 - i) Game Day Volunteers
 - ii) Team Phone Caller
 - iii) Party Organization, Banner Maker
 - iv) Game Day Snack Coordinator
 - b) Assistant Coach(es)
 - c) Team Referee and Assistant Referee(s)
10. Practice (Players' Responsibilities)
 - a) Water
 - b) Ball
 - c) On time
 - d) Call if unable to come
 - e) Go to bathroom
 - f) Practice clothes (shoes, shin guards, shorts, sweat shirt, etc. – **NO JEWELRY**)
11. Ask if there are any questions, and try to resolve any questions/issues on the spot.
12. A well-organized team is a happy team is a successful team

Example PARENT MEETING Checklist

I. INTRODUCTION

DISCUSS PHILOSOPHY OF AYSO - Everyone Plays, Balanced Teams, Open Registration, Positive Coaching, and Sportsmanship. AYSO is for the kids and playing is more important than winning. Every player will play a minimum of 3/4 the game. Emphasis throughout will be on having fun and learning to be a better soccer player.

II. DISCUSS PHILOSOPHY OF DIVISION x - COMPETITIVE or NON-COMPETITIVE

III. GAMES

1. Begin: Saturday, September XX, XXXX to November XX, XXXX (11 Saturdays)
2. Times: Various - see schedule
3. Location: Conejo Creek Park
4. Show up time: 1/2 hour before game
5. Clothes
 - a. Will be issued a uniform (shirt, shorts, and socks).
 - b. Do not wear uniform to practice.
 - c. Only wear uniform to game (required to play).
 - d. All Divisions will keep uniforms.
 - e. **Shin guards are mandatory for games and practice.**
 - f. Shoes: Soccer or any good turf shoe (soccer shoes are best, especially on wet mornings), **baseball or football shoes are not allowed (No toe cleats).**
 - a. **NO earrings, jewelry, watch, bracelets**, etc. If child has long hair, please put it in ponytails with a plain elastic band (nothing fancy).
6. **Positive Attitude**
 - a. Parents, grandparents, siblings all required to have a positive attitude. All motivation should be positive and encouraging (yell only good things).
 - b. Do NOT coach from the sidelines. Let the coach and/or assistant coaches do the Coaching. It creates too much confusion for the players.
 - c. Parent Control - It is the coach's responsibility to keep the parents under control. If the referee has a problem with a parent, the ref can red card (eject) the coach.
 - d. Please don't hassle the refs; they are doing their best.
7. Equipment:
 - a. Water bottle: Bring to all games and practices.
 - b. **Bring balls to all practices**, but not to games. The ball is size x. Mark ball **boldly** with child's name.
8. **Go to bathroom before coming to game.**
9. Rain: If it is safe for children to play (i.e., field in good shape, no lightning, etc.), we will play soccer. It is up to the parents to decide whether they want their child to play in those conditions. If the game is called off, all efforts to call all parents will be made; if not called, please go to the field at scheduled time.
10. **ABSENT - PLEASE CALL**

If your child will not be at the game, please inform me as far in advance of the game as possible.
11. All parents, players, and coaches shall occupy the same side of the field. Home team shall be the first listed team on the scheduled day of play.
12. Watch the games from the sidelines, no one allowed along the goal line.
13. No dogs allowed at Conejo Creek Park.

IV. PRACTICES

First practice will be Monday, August X, XXXX from 5:30 PM to 6:30 PM

1. Days of week: Every Tuesday and Thursday, starting August X
2. Times: 5:30 to 6:30 PM from August X to November XX, XXXX
From November X to end of season - To be determined.

Please arrive 5 minutes before starting time. Practice will begin and end promptly. I will be at practice 15 minutes early. When darkness becomes a problem for practice, the practice times may be pushed to an earlier time and/or shortened. This has yet to be determined.

3. Location: Field 17 East.
4. Clothing: Comfortable play clothes (no uniforms), shoes (tennis or soccer - **NO baseball shoes**).
5. Equipment:
 - a. Soccer ball, size 5, marked with child's name.
(Ball size 3 for 5U/6/7/8, size 4 for U9/10/12, size 5 for 14U/16/19.)
 - b. Shin guards (mandatory for practice and games); not foam type, hard plastic or plastic inserts.
 - c. Water bottle,
 - d. No jewelry, (AYSO rule).
6. **Go to bathroom before coming to practice.**

V. RECRUIT VOLUNTEERS

- A. Referee Volunteers: it is suggested to have at least 2 referee volunteers.
- B. Assistant Referee:
Responsibilities -
 1. Assist the center referee with judgments on the ball going out of bounds on the sideline or end line, whether the ball crosses the goal line for a score, and offside calls.
 2. Allows you to get a better understanding and appreciation of the game.
 3. **Classes**
Please browse the URL below for XXXX Referee Training:
<https://www.ayso9.org/Default.aspx?tabid=861888>
 4. They will be very flexible in working out a refereeing schedule that will work for you. You select times and games each week.
- C. Assistant Coach:
Responsibilities -
 1. Help head coach instruct team at weekly practices,
 2. Be at weekly games to help head coach direct team,
 3. Be able to run team at practices or games if head coach is unable to attend.
- D. Field Parent
Responsibilities -
 1. Help set up field for 8:00 am games
 - Be at field at 7:00 am,
 - Chalk field, put up goals, nets, corner flags.
 2. Help take down field after last game of day.
 - Take down nets, goals, corner flags, and net stakes and put in bag.

E. Team Manager

Responsibilities -

1. Communicate with ,
2. Flag or Banner, making and setting up at games,
3. Help communicate with parents,
4. Coordinate team party or picnic (if the team wants one),
 - Communicate with all parents the details about the team's party (if any),
 - Plan and implement all necessary steps for a successful team party.
5. Obtain volunteer for snack bar duty,
6. Coordinate refreshments,
 - Set schedule for parents to bring refreshments to games,
 - Phone responsible parents before game to make sure they remember:
Water for half time, and water, Gatorade, fruit drinks, etc., for after the games.
(Note: These are only suggested items. You may have much better ideas.)
(bring wet rags for hands if have oranges or something sticky).
 - Have parents bring extra ice with refreshments in case of player injury.
7. Coordinate picture day,
 - Communicate with parents all details about picture day (September 30)
8. **Team Manager Meeting**
 - Thursday, August XX, 6-8 PM at Los Robles Greens Club House
 - 299 South Moorpark Road, Thousand Oaks, Ca 91361

I do not expect (and nor should you) the Team Manager to do everything listed above. He or she should get volunteers (or assign someone, if necessary) to be Banner Maker(s), Party Coordinator, Picture Day Coordinator, etc. Please volunteer to help the Team Manager out.

Offside Law Summary

Offside is the Law in soccer that prevents players from “Cherry Picking” and taking advantage of an unfair position on the field. Offside is often misunderstood by players, coaches and especially parents. The following review may help you educate your team on the Offside requirement. For additional review, US Soccer has published a nice training video at:

<https://www.youtube.com/watch?v=FWHAnAKGk2c>

The most important thing to remember about Offside is that an Offside **Infraction** requires the presence of two components – Offside *Position* and Offside *Involvement*.

Infraction = Position + Involvement
--

Offside Position

- Offside Position is determined at the time the ball is last *touched* or *played* by a teammate of the attacking player.
 - o There is no intent element to the Offside Law. For example, a ball unintentionally ricocheting off an attacker after being cleared by a defender would satisfy the *touched* or *played* requirement.
- A player is in an *Offside Position* if, at the time the ball is last touched or played by a teammate, that player is closer to the opponent's goal line than both of the following:
 - o 2 opposing players, and
 - o The ball
- A player is not in an offside position if that player is in his or her own half of the field, or, in the case of 10U players, on his or her own side of the build out line irrespective of the position of opponents or the ball.

Offside Involvement

****It is not an infraction of the Law to simply be in in an *Offside Position*, one must be actively involved with play to commit an infringement of the law.**

The Laws describe three separate ways a player can be involved in play:

- 1) Interfere with Play – means playing or touching the ball passed or touched by a team-mate.
- 2) Interfering with an Opponent – means (1) preventing an opponent from playing or being able to play the ball, or (2) making a gesture or movement which, in the referee's opinion, deceives or distracts the opponent.
- 3) Gaining and Advantage by Being in the Position – means playing a ball that rebounds to him off the goal or an opponent

Restart

If the referee determines an offside infraction took place, the restart is an indirect free kick to the defending team from the position on the field where the offending player became involved in play.

NEVER OFFSIDE

Notwithstanding everything above, a player does not commit an Offside Infraction if the last time the ball was touched or played by a teammate was from one of the following:

1. THROW-IN
2. GOAL KICK
3. CORNER KICK

Other Often Misunderstood Soccer Rules

HANDLING THE BALL

Not all ball-hand contact is a foul. The Laws only penalize deliberate handling of the ball. Referees must use their judgement to assess whether or not a player deliberately handled the ball. This requirement exists no matter where the ball-hand contact. Often referee will try to determine whether contact was a result of the ball striking the arm or whether the contact was the result of the arm striking the ball. As this is a judgement call by the referee, the referee's opinion may not be the same as the coaches, players or spectators. **THE REFEREE'S OPINION IS THE ONLY ONE THAT IS CORRECT.**

DANGEROUS PLAY

There is no specific rule that prohibits high kicks or playing the ball from the ground. However, if these are done in a way that puts that player or another player at risk, then that player can be penalized for **PLAYING IN A DANGEROUS MANNER.**

FAIR CHARGE

Soccer can be a contact sport. Fair and safe contact is an expected part of play, even if that contact results in a player going to the ground or losing possession of the ball. A "Fair Charge" is when two players challenge each other with shoulder to shoulder contact while trying to get the ball. In order for a charge to be a Fair Charge, players must be within playing distance of the ball.

ADVANTAGE CLAUSE

If the referee determines that a foul has occurred, the Laws allow the referee not call the foul if the referee determines the offended team will be in a better position if her or she does not call the foul. There are two important aspects to remember: (1) the referee may or may not choose to apply advantage, and (2) if the referee applies advantage, the referee may reverse that decision within 2 – 3 seconds and award the original foul if the perceived advantage fails to materialize. This is called the **ADVANTAGE clause.**

Applying the Spirit of the Game

The referee is expected to use judgement when applying the Laws of the Game. The Laws instruct the referee to avoid whistling for trifling or doubtful fouls in favor of ensuring a free-flowing and exciting match. The referee attempts to balance flow of the game with control of the game. It is not the responsibility of the referee to control the players. It is the responsibility of the coach to prevent players for losing control. The referee keeps the game **SAFE, FAIR, and FUN.**

INJURED PLAYERS

The referee is not required or expected to stop play for any and all injuries to players on the field. The referee is instructed to only stop play if an injury is severe and requires immediate attention. If the referee stops play to attend to an injured player, coaches must wait for the Referee to beckon the coach on to the field of play to attend to an injured player. A common misperception is that if a player sustains a minor injury, they should "take a knee" so the referee will stop play. If a player needs attention from the sideline, and that player is able to move to the sideline, a player may move to the sideline to receive care during the course of play.

ITOOTR – In The Opinion Of The Referee

The soccer rules state that all decisions concerning fouls and misconduct are "In the Opinion of the Referee". So, when you think something is a foul or is not, it is the referee opinion that counts.

The Five Skills of Soccer

The sport involves several basic skills: kicking, passing, dribbling, trapping, heading. These skills can be learned at any age, and are skills which the good soccer player works continually to improve.

KICKING is the skill most often used to move the ball, either from one player to another or to score a goal. Many players spend more time practicing goal kicking than any other skill because they feel that scoring is the most fun. But players should put just as much emphasis on the other skills. Even forwards will not usually take more than five or six shots on goal in an entire game.

PASSING is kicking, pushing, or heading the ball accurately to a teammate or to a space where a teammate can run to the ball. A player may lightly tap the ball to a teammate several feet away or kick it strongly to move it down the field. The ball may scoot along the ground or may be kicked in the air.

DRIBBLING, as in basketball, is used to transport the ball under control from one area to another. Soccer players cannot use their hands, players dribble the ball with their feet, using light taps on the ball to move it along the ground.

TRAPPING is stopping the ball in flight or on the ground and then controlling it by dribbling or passing the ball to a teammates. There are many ways to trap a ball: (1) allowing it to hit the chest at an angle that deflects the ball to the ground where it can be controlled; (2) allowing it to hit the thigh or bent knee to deflect the ball to the ground where it can be controlled; and (3) using a foot to stop the ball.

HEADING is unique to the game of soccer. When a ball is too high to kick, players "head" the ball to pass to a teammate or score a goal. Players should use their foreheads. This is very hard part of the body and permits painless contact.

The Team

Each team usually is composed of the following basic positions:

The GOALKEEPER, (or Keeper) who is responsible for guarding his/her team's goal and preventing the opposing team from scoring.

The BACK (or Fullback), whose primary duty is to prevent the opponent from having a good shot at the goal, also works to gain possession of the ball and pass it to a teammate to start an attacking play.

The MIDFIELDER (or halfback) who plays a transitional game from defense to offense and vice versa. Usually the midfielder is the most active player on the field and the key to enabling a team a good continuity in its efforts.

The FRONT RUNNER (or Forward), whose primary responsibility is to score, also assists the midfielders in shifting play from defense to offense.

It's important to keep in mind that **any** player may score a goal regardless of position.

ATTACKER and DEFENDER

It is important to remember and teach that there is not a position called ATTACKER or DEFENDER.

When your team has the ball, all players on the team are ATTACKERS (regardless of their position), and should be taking an offensive role.

When your team does not have the ball, all players on the team are **DEFENDERS** (regardless of their position), and should be taking a defensive role.

Soccer Action

KICKOFF-Puts the ball in motion at the beginning of each half and after each goal is scored.

OUT OF PLAY-Happens when the ball completely crosses the side boundary of the field (sidelines), or when the ball completely crosses the goal line. Play is restarted by a throw-in when out of play over the sidelines and by a goal kick or a corner kick when out of play over the goal line.

THROW-IN-Taken along the sidelines at the point where the ball went out of play. A throw-in is awarded against the team which last touched the ball before it went out of play.

GOAL KICK-Taken at each time the ball is kicked by the offensive player over it's opponent's end or goal line. The ball is placed inside the goal area and must be kicked past the penalty box before it is in play again.

CORNER KICK-Taken by the offense each time the ball is kicked by the defense over its own goal line. The ball is placed within a three foot arc in the corner of the field (nearest to where the ball went out of play) and kicked into play by the offense.

PENALTY KICK-Given when a defensive player commits one of the nine penal (major) fouls within his/her penalty area.

Sideline Etiquette

AYSO soccer encourages positive self-esteem, discipline, personal responsibility, teamwork, acceptance of and learning from disappointment and success, as well as perseverance. It is also an enjoyable game to watch as well as to play. We believe that quality soccer can and should be developed, and that it can and should be fun. Therefore, the emphasis of our program is not on who wins but how the players and teams develop, and most importantly, did they have fun in doing so? We want all participants to reach their full, *age-appropriate* potential and to enjoy themselves in the process.

As spectators, we must realize that the players are trying their very best and deserve *our very best* in the way of support and encouragement. **Negative comments have no place on the field or on the sidelines.** We need to recognize that the effort of each player is 100% well intended and encourage each player to maintain that effort. It is also important to recognize **all good play** being demonstrated; *regardless of which team the player is on.*

The area off the field that the spectators occupy is on your own team's side, no closer than three yards from the touchline, and between the penalty areas. Under no circumstances will anyone be allowed behind the goal lines. Familiarize yourself with these field markings and remain within the area defined.

Allow the coach to be the sole source of coaching during the match, communicating tactical or technical adjustments to the players. As a coach, be sure that your coaching during the match is **limited to positive, instructional or encouraging comments**. Giving play-by-play instructions to all players hinders their ability to put into effect the lessons you have stressed in practices and disallows them the opportunity to think on their feet.

The area off the field that the coaches occupy is called the **"technical area"** and is on your own team's side, no closer than one yard from the touchline, and up to ten yards from either side of the halfway line. The "technical area" is limited to the head coach and one assistant coach for that team. Not only are these to be the only persons occupying the "technical area," **they are the only persons who may coach**" (give tactical or technical information) during the course of the match.

An important aspect of the AYSO program is **Sportsmanship**. Our children need to experience:

1. The fun of hard fought but fair competition
2. Winning graciously
3. Losing graciously
4. Improving one's abilities through practice
5. Learning the social skills involved in being a member of a team, *and*
6. Acknowledging good play by teammates as well as opponents

One of the ways in which our children can learn and continue to have these experiences is by our demonstration of good sideline behavior.

Our children learn by watching, and imitating our conduct.

Keep a positive outlook and demonstrate it by supporting the coaches, players and referees, in spite of any mistakes they may make during the course of a match.

AYSO Soccer Accident Insurance

Players are covered by AYSO insurance. Updated Incident forms & updated details are located at

<https://aysovolunteers.org/soccer-accident-insurance/>

AYSO purchases Soccer Accident Insurance (SAI), for volunteers & players, which pays excess medical costs up to \$50,000 maximum per accident to an insured person for accidental bodily injuries incurred as a direct result of participation in a covered activity. This is an Excess Accidental Medical Expense Benefit, and all eligible expenses will be reimbursed in excess of a primary policy or on a Usual and Customary basis.

- All claims must be submitted within 90 days of the injury.
- Each claim is subject to a \$500 Deductible.
- Social Security Numbers required on SAI claim.

All AYSO currently registered* members (players, coaches, referees and other volunteers) are "Covered Persons" for accidental bodily injury while participating in the following covered activities:

- Team practice sessions, scheduled games, tournaments, or other sponsored activities (meetings, banquets, fundraisers) provided they are under the direct supervision of an AYSO registered volunteer.
- Group travel of five or more participants directly, without interruption to or from such practice sessions, games, tournaments, or sponsored activities, provided that players are traveling as a team and a licensed adult driver operates the vehicle.

*Registration requirements will be verified before any benefits are paid.

NOTE: SAI Insurance will NOT cover injuries incurred in any practice or scrimmage where PARENTS play against KIDS !!

AYSO Liability Insurance

AYSO carries a General Liability and the policy period is July 1 through June 30 of next year.

Who is covered: The Organization, its Directors, Officers, field owners, employees and volunteers for injuries or damages the Organization becomes legally obligated to pay, including applicable legal costs for defense.

Coverage is provided for:

- Participant injury
- Spectator injury
- Property damage liability
- Volunteer injury
- Activities necessary and incidental to the conduct of games or practices
- AYSO Sponsored functions, including meetings, banquets and fundraisers

Notable Exclusions

- Golf Cart Liability, Fireworks, **soccer games adults vs. kids**
 - Amusement Devices (specifically excludes bounce houses and climbing walls, but also excludes carnival-type rides in general)

Coach's Code

Enthusiastically support and practice the "Everyone Plays" and Positive Coaching" philosophies of AYSO.

Be reasonable in your demands on the young players' time, energy, enthusiasm and their performance on the soccer field.

Impress on your players that they must abide by the rules of the game all the time.

Develop team respect for the ability of the opponents, as well as for the judgment of referees and opposing coaches.

Ensure that your players' soccer experience is one of fun and enjoyment (winning is only part of it). Players should never be yelled at or ridiculed for making mistakes or losing a game.

Set a good example and be generous with your praise when it is deserved. Children need a coach they can respect.

Enlist the support of your teams' parents in your efforts to instill the proper attitudes and values in the players.

Keep informed about sound coaching principles and growth and development principles of children.

Check equipment and facilities that you use. They should meet safety standards and be appropriate for the age and ability of your players.

Follow the advice of a physician when determining when an injured child is ready to play again

Bill of Rights for Young Athletes

Right of opportunity to participate in sports regardless of ability level.

Right to participate at a level that is commensurate with each child's developmental level.

Right to have qualified adult leadership.

Right to participate in safe and healthy environment.

Right to share in the leadership role and decision-making of the sport.

Right to play as a child not as an adult.

Right to proper preparation for participation in a sport.

Right to equal opportunity to strive for success.

Right to be treated with dignity by all involved.

Right to have fun through sport.

Player's Code

Play for the fun of it, not just to please your parents or coach.

Play by the Laws of the Game.

Never argue with or complain about referees' calls or decision.

Control your temper. Most of all, resist the temptation to retaliate when you feel you have been wronged.

Concentrate on playing soccer with your best efforts. Work equally hard for your team as for yourself.

Be a good sport by cheering all good plays, whether it is your team's or your opponent's.

Treat all players as you would like to be treated.

Remember that the goals of the game are to have fun, improve skills and feel good. Don't be a showoff or a ball hog.

Cooperate with your coaches, teammates, opponents and the referees.
